VOL. 56 — No. 32

Observations... From Around Town

(BY JAY WHOZIT)

Tuesday was election day and it proved to be a record-breaker in more ways than one, for besides the heat of the campaign which has been steadily rising for the past several weeks, the thermometer skyrocketed to an unofficial 105 degrees, a near record if not a new one. Governor Fielding Wright was re-nominated for a full four-year term, in Tuesday's first primary, by a very comfortable majority over his other four opponents, marking the first time in Mississippi history that a lieutenant governor who served out an unexpired term was elected to the succeeding full term. . . . when the All-star Football game is played in Soldier Field, in Chicago, on the night of August 22, our own Saint Stanislaus will be ably represented by two of its most famous alumni in the person of March Schwartz, who will be assistant to Coach Frank Leahy, and that hard-hitting Fullback, "Doc" Blanchard, who will share backfield honors with such greats as Tucker and Davis, teammates of Blackguard at Army and Trippi, of Georgia—a dream backfield, if there ever was one. . . . Brother Peter, as president and Brother Linus, as vice-president, this week were reappointed as heads of Saint Stanislaus for the coming 1947-48 session. . . . when the Bay St. Louis library has its annual tag day on Saturday, August 9th, be as liberal as you can when approached by one of the many young ladies who will sell tags for the library, which is really a credit to our town and which deserves your help and cooperation. . . . a very important meeting will be held at the Bay High School auditorium on this Friday night in the interest of the daily commuters to New Orleans, who are seeking to have the Interstate Commerce Commission restrain the L. & N. R. Co. from discontinuing the commuter rates. . . . the commuters are to be given a hearing before the Commission on August 21st and want a representation that will demand attention. . . . the memory of a Bay St. Louis boy who was killed in action on October 16, 1944, in Germany will be honored at University of Mississippi, when one of four new dormitories will be named in honor of Herman Baxter, a member of the class of 1943, son of Mr. and Mrs. J. C. Baxter, Sr. . . . The Second Democratic Primary election will be held in three weeks, on August 26th. . . . the 1947. Personal Assessment rolls of both Hancock County and City of Bay St. Louis are now open for inspection at the Court House and City Hall, respectively, and complaints, if any, must be filed now, or assessments will be considered final. . . . Congressman Bill Colmer declines appointment as member of European Aid Committee, scheduled to visit Europe this summer, because of important duties here and in order that someone else may be appointed who can make the trip. . . . Senator Theo G. Bilbo returned to New Orleans hospital this week for examination and possible surgery in preparation for a plastic surgery operation which he plans to undergo some time in the future.

While Geraldine was busy unwrapping her many gifts she was surprised by her father coming in with her new bicycle, a surprise gift from her parents. During the afternoon a shower was given to Miss Norma Garcia, preparatory to her entering the Order of the Sisters of St. Joseph in New Orleans on September 8th. ANNUAL LIBRARY TAG DAY SET FOR AUGUST 9TH.

The date of the annual Tag Day for the Bay Saint Louis-Hancock County Library, was set for August 9 at the meeting of the Library Board held on Monday at the home of the president Mrs. M. W. Briggs. It becomes necessary each year that the library devote some way in which to raise money to meet the operating expenses of the library. Salaries of the two librarians and the county furnishes a room for the library, light, heat but all other expenses must be met by the library, the greatest of which is the purchase of books. For this it is the annual custom to put on a tag day. The Library has set a goal of \$750 and if you read our card you will see how easy it is to do this. If 50 people each give \$5, it will equal \$250; If 100 people each give \$2, it will equal \$200; If 200 people each give \$1, it will equal \$200; If 200 people each give 50c, it will equal \$100; and that will give a grand total of \$750. That is easy and that will be our appeal for the year. Our Taggers will be out all day Saturday and you will have an opportunity of joining the \$5 group, the \$2 group, the \$1 group or the 50c group. Be sure that you join one of these. However, the taggers cannot make a house to house canvass so if you should not be contacted on the street or your place of business mail your check to the library, Box 144, Bay St. Louis or bring it to us. You will find us on the ground floor of the Knights of Columbus Hall. Anything you may do for the library will be appreciated by the entire community as the library is a community institution. Stand by your library. Many small matters of business came up and were disposed of at the board meeting. Attending the meeting were Mrs. Briggs, Mrs. H. Grady Perkins, Mrs. Lucien M. Gex, Mrs. C. L. Horton, Mrs. E. C. Carriere, Mrs. John H. Weston, Mrs. Thomas B. Sellers, Miss Louise A. Crawford, and Miss May H. Edwards.

Addresses Womans Missionary Society

Mrs. Roberta Mayola, late of Lima, Peru, but making her home here at present addressed the Womans Missionary Society of the Baptist church on Tuesday afternoon at the home of Mrs. S. J. Ingram. Mrs. Mayola talked of the great need of South America as a whole from the standpoint of education, health and Christianity. The speaker said that when you talked to the natives about God they cannot grasp it because of their illiteracy. Their minds are not ready for information which should by rights have had the foundation laid by education. The physical condition plays a part in the mental receptivity of a person, too. Sanitary conditions are tragic she said and there is a crying need for doctors, nurses and medicine. When asked what we over here can do to help these people Mrs. Mayola said write to your missionary for the names of their young converts and write them now and then. "They need so much encouragement" she said "because it is all so new to them and they need to feel that someone is interested in them." It was a very splendid talk and certainly flung a challenge to us to do better and teach. Mrs. T. B. Sellers gave the devotional and Mrs. John T. Dearing gave the closing prayer. Mrs. Claiborne Ladner gave some interesting facts about the people of South America. Mrs. Ingram served a cooling iced drink and cake and a short social hour was enjoyed.

PROSPECTIVE NEW OIL FIELDS

Mississippi now has 938 producing oil wells with the addition of ten wells added last week which increased the daily production by 4,475 barrels. There are 9,500,000 mineral leases now of record in the State while lease hounds are scouring the state for more and more. Two potential new oil fields are in process of development and may be a proven fact even before this story is released. Mr. H. M. Morse, Director and Supervisor of Mississippi State Oil and Gas Board, reports a wildcat well near Tchula in Humphries county, which made wonderful showing from a recent drillstem test; while another wildcat well near Sandersville in Jones County, is having casing set and will be brought in within a few days. Mr. Morse states that the cast shortage of tubular steel (casing) is holding back the completion of many wells and is greatly retarding oil production in the state.

DORMITORY NAMED IN MEMORY OF BAY ST. LOUIS BOY

New dormitories at the University of Mississippi will be named in memory of four prominent Ole Miss alumni, (left to right) Drane Lester of Batesville, Herman Baxter of Bay St. Louis, Gus Gerard of Grenada, and Bill Sam of Vicksburg.

University, Miss., July 28—The Board of Trustees of Mississippi Institutions of Higher Learning has approved the naming of four new men's dormitories now under construction at the University of Mississippi in memory of four prominent

alumni—the late Drane Lester of Batesville, Gus Gerard of Grenada, Bill Sam of Vicksburg and Herman Baxter of Bay St. Louis. A faculty group who had known these men as students selected their names, which were recommended to the

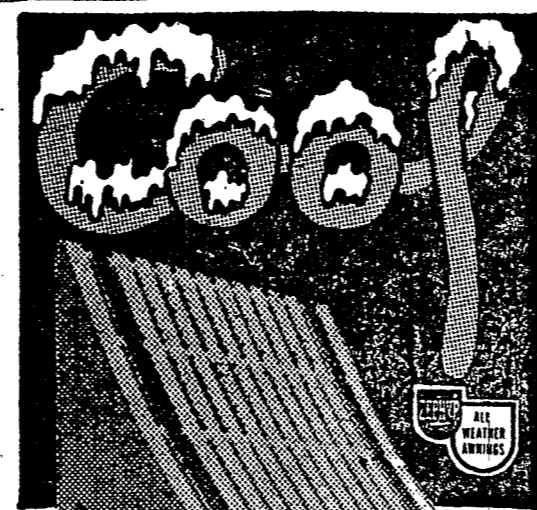

trustees by Chancellor J. D. Williams. Mr. Lester, of the Class of 1921, distinguished F. B. I. agent, military intelligence officer, and former Rhodes scholar, died in an automobile collision near Elizabethtown, Ky., on June 4, 1941.

The other three, who succeeded each other as president of the Associated Student Body, all were killed in action in 1944—Mr. Gerard with the paratroopers in Italy on Feb. 10, Mr. Sam with the Marines on Saipan on June 16, and Mr. Baxter with the infantry in Germany on Oct. 16. They were members of the Classes of 1941, 1942, and 1943, respectively.

Herman Baxter, son of Mr. and Mrs. J. C. Baxter, Sr., of Bay St. Louis, succeeded Mr. Sam as student body president and held that position until he left for the Army in January, 1943. Like Mr. Gerard, whom he succeeded as president of the Hellenic Literary Society, Mr. Baxter was active in R. O. T. C. work at Ole Miss. He was chosen to the 1943 Hall of Fame in recognition of his contributions to the betterment of the university.

An honor graduate he attained a

superior scholarship record and was chosen for membership in Phi Eta Sigma, scholastic fraternity. He was active in the work of the Y. M. C. A.

Veterans' News

Military personnel being separated from the armed forces may use their terminal leave orders as a basis for obtaining a temporary six-month certificate of eligibility for education or training under the GI Bill, the Veterans Administration has announced.

Under the new plan, if the applicant's orders reflect at least eight days of terminal leave, it will not be necessary for VA to check his service records to determine eligibility before authorizing matriculation in an educational institution or training establishment. However, these applicants are not eligible for subsistence allowance until they have been discharged formally, VA said.

The temporary certificates of eligibility will be replaced by the regular forms after the veteran's exact

period of entitlement has been determined.

QUESTIONS & ANSWERS

Q—I am an honorably discharged World War II Veteran and would like to know where I can secure specific information concerning readjustment allowances while I am unemployed?

A—You should inquire at the public employment office or at the office of the unemployment compensation agency in the state or territory in which you reside.

Q—Are there any penalties in case the veteran accepts readjustment allowance to which he is not entitled?

A—Any veteran who knowingly accepts an allowance to which he is not entitled shall be ineligible to receive further readjustment allowances. Furthermore, anyone who receives money, check or allowance under the readjustment allowance provisions of the law, to which he is not entitled and with intent to defraud the U. S. shall be punished by fine of not more than \$1,000 or one year in prison or both.

That in testimony of this fraternal loyalty we extend to her bereaved family our deepest sympathy and pray that He, Who perfects that which man begins, will abide with and sustain them in a way that we cannot;

That a copy of these resolutions be sent to the family and a copy be placed on the records.

Respectfully submitted,
BAY ST. LOUIS REVIEW NO. 10 WOMAN'S BENEFIT ASSOCIATION.

permitted to charge on G. I. business loans?

A—In most cases, 4 percent is the maximum. However, the interest rate may be slightly higher for certain types of insured business loans.

Q—In order to get a business loan under the G. I. Bill, will I have to operate the business myself?

A—Yes, the veteran must devote his personal labor or supervision to the enterprise, or to the practice of a profession, on a full or part time basis.

Yes, since the Mississippi Power Company began operations in 1925 the cost of electricity has steadily gone down. Back in 1925 the average family paid 13.6c per kilowatt hour for electrical energy, today it pays 3.6c.

This didn't just happen, it was, and is, the result of our efforts to bring service to southeast Mississippi homes, farms, and factories at the lowest possible cost.

"Your Ideal Place To Shop"

From where I sit... by Joe Marsh

EXTREMISTS

You find folks who go off the deep end of everything. Some eat too much. Others go on too lean a diet. Some folks play too much and neglect their jobs. Others work too hard and endanger their health. And there are some who would prohibit your enjoying a cool glass of legal beer these hot evenings. Of course there are those who will abuse any privilege.

I'm always thankful for the great majority of in-the-middle-folks who keep their feet on solid ground and who have tolerance and temperance in their souls.

These folks, I know appreciate the job W. W. Pierce, D.

rector of the Mississippi Committee of the U. S. Brewers Foundation, is doing through education and regulation wherever the sale of beer is legal. He sees to it that those who sell beer obey the letter and the spirit of the law and observe the rules of decency. The few extremists who refuse to cooperate lose their beer permits.

From where I sit, the brewing industry has a good old horse-sense program that appeals to all us temperate, non-extremists folks.

ORTIE THEATRE SUNDAY - MONDAY "THE FARMER'S DAUGHTER"

Loretta Young, Joseph Cotton, Ethel Barrymore

An unusual romance, laid against the exciting setting of a congressional election, is the inspiration for RKO Radio's sparkling new comedy-drama, "The Farmer's Daughter," starring Loretta Young, Joseph Cotton and Ethel Barrymore.

Miss Young as a young farm girl, disappointed in a career, takes a job as maid in the home of a young congressman (Cotton) and his mother (Miss Barrymore), the latter a power in the political life of the city.

Miss Young's employers nominate a candidate for a vacant congressional seat and are stunned when their maid gets up at a public rally and denounces him as unfit for public office. The opposition invite her to run and after a hot and exciting campaign, she wins the seat, but her congressman-employer wins her for a wife.

Principal supporting players are Charles Bickford, Rose Hobart, and Tom Powers. H. C. Potter directed this Dore Schary production.

ED P. ORTTE

EXTENDS HIS APPRECIATION TO THE VOTERS:

"Words cannot express how thankful I am to the public for the wonderful support I received in the 1st. primary." It is indeed gratifying. I know that many of my friends on account of relatives or other personal reasons found it necessary to vote for my opponents. Now that four of them have been eliminated I sincerely trust that they will give me their support in the 2nd. primary. So again thanking you, I remain sincerely,

Your friend,
